REPORT ON ACTIVITIES FOR 2018/2019

Chike Okoli Foundation, COF is a non-profit organization established in May 2006, in memory of Chike Edward Okoli, who passed away due to an undetected coronary artery disease shortly after his 25th birthday. A budding entrepreneur, Chike was until his death, the Founder/Managing Director/Chief Executive Officer of Carden Energy Services Ltd, an indigenous Oil Services Company in Lagos, Nigeria.

The focus at COF includes ensuring that Nigerian youths are fully aware of the dangers of Cardiovascular Disease (CVDs), and the available preventive measures and treatment options. The Foundation also works to equip young Nigerians with entrepreneurial skills to enable them set up and manage profitable businesses of their choice. This is our own wealth creation strategy to complement the efforts being made by Government at different levels.

Since inception, the Foundation has reached out to more than 11 million youths across Nigeria. It targets the population through various informative channels that include radio, newspaper and regular community outreaches. The Foundation runs a consistent program to promote knowledge of healthy living and orientation as well as advice on good health. We also support the public with free medical tests which include: Blood Sugar, Cholesterol Test, Body Mass Index Measurement, (BMI), Blood Pressure Check, De-worming exercise, as well as distribution of COF health related booklets.

Some of our community outreach programs:

- Participation at Wellspring Rehabilitation Centre for persons living with substance abuse, with medical check-up to ascertain the condition of those who were screened, on the 4th of March 2018.
- LCDA Health Awareness Campaign Ward C, held on the 11th of March, 2018. The objective of the programme was to create awareness about various health challenges and to promote healthy lifestyle.
- Program organized by Christian Mothers, Catholic Church of Divine Mercy Medical Fair on Saturday, March 24th, 2018 with free Medical check-up and free Drugs provided by Emzor Pharmaceuticals Industries Ltd.
- On April 5, 2018 Emzor and COF carried out a Free

Beneficiary carrying out his blood sugar test

Community Outreach in Honour of Late Madam Matilda Nwannediya Nwaliezi Ohuabunwa, mother of Mazi Sam Ohuabunwa, at Arochukwu, Abia State.

- Free Medical Outreach in honour of Lady Theresa Nnenna Anyikwa, Mother-In-Law of Prof (Mrs) Ngozi Anyikwa, the Director of Chike Okoli Centre for Entrepreneurial Studies, Nnamdi Azikiwe University, Akwa. The outreach was held at (Osuachara's Villa) Umuezeaga Autonomous Community, Akokwa, Ideato North on the 26th of April, 2018. This was supported by Emzor.
- COF and EMZOR also supported RCCG Olive Tree Parish with Free Health Screening and Drugs. It is an initiative of Her Excellency, Mrs Dolapo Osinbajo, Wife of the Vice President of the Federal Republic of Nigeria. It is aimed at giving hope and free health care to members of the public. This was held on the 9th of June, 2018 at the Church premises.
- COF and EMZOR supported a Medical Outreach and donated free drugs at Shagamu and Remo North Local Government on the 28th- 29th of June, 2018.
- In Honour of Late Dr Emmanuel Egbogah, the Foundation and Emzor provided free medical check-ups and free drugs to the Umuokpu Community, Awka on Thursday, August 16th, 2018.
- The 9th Chike Okoli Foundation Week was held from Thursday 27 to Friday 28, September 2019, in

collaboration with Goldcrest and supported by Emzor, Synlab (Formerly PathCare) and Fidelity Bank to mark the World Heart Day. The primary aim of the program is to provide free healthcare services and inform people on the risk factors associated with cardiovascular disease.

- COF and EMZOR Medical Outreach also supported the Ofala Festival on the 6th of October, 2018 with free drugs and heart screening. Free tests conducted include; Blood Pressure, Blood Sugar, Cholesterol Test, Body Mass Index Measurement and Mass Deworming.

- Chike Okoli Foundation and Emzor supported the 10th Osolo Day Celebration Community Health Week on Tuesday, October 23, 2018.

- A COF and EMZOR Team attended Osolo Community Health Week. The event was held at the residence of His Royal Majesty, Oba (Alhaji) Kabiru Kolawole Alani Adela Agbabiaka (Osolo of Isolo Kingdom). The free medical outreach was for the entire Isolo Community.

- On November 3, 2018 COF and Emzor supported Okikiola Community Evangelism with medical outreach at Ikorodu, Lagos State to celebrate the existence of Pacesetter CDA in Ikorodu and enlighten the public about the risk factors associated with Cardiovascular Disease.

- Chike Okoli Foundation and Emzor supported Lilyford Foundation in Collaboration with Britannia-U Limited, to provide free Medical Screening at Ogidi Onitsha on 26th-27th December 2018.

- COF supported the Team of RCCG Olive Tree Prison Ministry Medical outreach with some basic Medical

Tests which include BMI, Blood Pressure, Blood Sugar and Cholesterol Tests. Emzor also supported with free drugs during the event. The outreach was held at Kirikiri Prison Yard on the 28th of March, 2019. In attendance was about 3,000 Prisoners. We attended to more than 1000 participants.

- On April 20, 2019 COF and Emzor supported the RCCG Olive Tree Parish Easter Let's-Go a Fishing program with free Medical Outreach at Kings College, Lagos.

- Chike Okoli Foundation and Emzor provided free Medical screening at Amichi Anambra State on the 20th of April, 2019. It was on the occasion of Chief Eric Umuofia Son's Traditional Wedding.

- COF Participation at Nnewi for Christ 2019 Festival, Anambra State on May 1, 2019. The programme was to enlighten people about CVDs. It was held at DCC Anglican Church, Nnewi, Anambra State. The medical tests carried out by COF included Blood Sugar, Cholesterol test, Body Mass Index Measurement, (BMI) Blood Pressure and de-worming exercise for the participants and the children at the event, because a lot of the parents came with their children. We also distributed COF Flyers, Emzor Flyers and most of the COF Health related booklets on the heart. More than 2000 people attended. Amongst were pastors, workers of Nnewi for Christ and members of the public.

- Medical Health Outreach for RCCG Salvation House Parish, LP 48 (Apapa Family) Ikorodu held on Saturday 11th May 2019.

- COF and EMZOR team attended Ideato North, L. G. A, Imo State Diocesan Women Conference with free

- COF and EMZOR team attended the 18th RCCG Annual Elders' Congress & Praise Night on the 24th of May 2019.

- On June 2, 2019 COF and Emzor supported St Marks Anglican Church Nnewichi, Nnewi 2019 Synod Sunday Service with a Medical Outreach.

- In Honour of Late Mrs Ngozi Onyike the Foundation and Emzor Pharmaceutical Industries in conjunction with RCCG Christchurch, Gbagada provided free Memorial outreach and free drugs to Oworonsoki Community, on Sunday June 2, 2019.

The activities of the Foundation have been very successful with tremendous achievement in promoting healthy living. More people, students and teachers are more enlightened and better aware of the effect of their lifestyle on their hearts. Services rendered during these programs include free CVD Lecture, Heart Screening, Free Blood Sugar Test, Cholesterol Test and counselling for all participants. The support of Health professionals (Cardiologists, Community Health Doctors, and Pharmacists) helps us attain our goals.

Promoting Entrepreneurship

Chike Okoli Centre for Entrepreneurial Studies, COCES at Nnamdi Azikiwe University, Awka is a brain-child of the Foundation with a mission to re-train, re-equip, re-engineer, re-tool, and re-skill Nigerian youths towards acquisition of vocational, business and managerial skills needed in today's competitive world. The goal is to inculcate 21st century skills, techniques, and competencies in Nigerian youths, harnessing their untapped potential, and reducing unemployment by producing self-employed graduates and successful entrepreneurs.

The Centre focuses on ICT, electrical /electronics, auto mechanics, tailoring, hair dressing/barbing, home management, fashion and design, catering, bead making, hat making, knitting etc. The essence is to

expose students to real life work experience.

COCES has organized entrepreneurial workshops, seminars and conferences for artisans, scholars, students, and the public. Some of these are: Partnership with Enterprise Development Centre, EDC on the (You Win) Programme; and the Annual Rags-to-Riches Seminar to mark the International Day against Poverty.

The Centre has trained and equipped more than 5000 entrepreneurs in the science and spirit of entrepreneurship. The Centre also has a Memorandum of Understanding with the Entrepreneurship Studies Unit of the University whereby their students are taught skills by the technical staff of the Centre.

In addition, the Foundation has two awards instituted by donors for the promotion of Entrepreneurship. These are:

(a) Chief S.I Anyikwa Entrepreneurship Award worth N300,000; a revolving loan scheme sponsored by Prof Ngozi E. Anyikwa.

(b) The "Preparation Meets Opportunity Award" worth N300,000 sponsored by Mrs Uzoma Ezeoke.

The Foundation will continue to pursue the ideals for which it was set up, with even more passion and commitment in the years ahead.

About Chike Okoli Centre For Entrepreneurial Studies -COCES

Chike Okoli Centre for Entrepreneurial Studies -COCES

Chike Okoli Centre for Entrepreneurial Studies -COCES. Inset: Director COCES, Professor Ngozi Anyikwa.

Chike Okoli Centre for Entrepreneurial Studies (COCES) has continued to record tremendous success, with regards to its primary aim since its inception in 2007. The Centre has moved into a magnificent edifice donated by Dr Stella Okoli, OON as its permanent site immediately after commissioning on 19th November, 2011. The Chike Okoli Building has been a delight to all and the pride of the University. Staff of the Centre and students now enjoys good offices, auditorium and classroom accommodation.

ACADEMIC ACTIVITIES/PROGRAMMES OF THE CENTRE:

DIPLOMA PROGRAMME

The Centre runs a two-year Diploma Programme in Entrepreneurship. So many students have been trained since its inception and they have passed out meritoriously with new skills acquired for self-reliance. The students acquire the skills and in addition are given direct entry admissions into the regular programmes or the Continuing Education Programme (CEP) of the University provided they meet with the basic requirements. With the skills acquired by Diploma students of Chike Okoli Centre for Entrepreneurial Studies, some have established their own businesses. They are now able to cater for themselves, thereby, fulfilling the vision and mission of establishing the Centre, adding values to society and their immediate families.

INDUSTRIAL TRAINING

The students of the Centre have continued to go on

Industrial Training which started since 2008. For the Industrial Training exercise, the students are posted to different firms where they are exposed to such skills that are of interest to them. At last, they draw up their Business Plans and bring up projects they have done which they defend properly before a panel prior graduating. Students benefit a lot from the Industrial Training experience.

UNIVERSITY WIDE COURSE (ENT 301): ENTREPRENEURSHIP EDUCATION AND NEW VENTURE CREATION

The Centre started handling the theoretical and practical content of this University Wide Course (ENT 301) since 2008/2009 academic session. Recently, the theoretical content was transferred to the School of General Studies while the practical content remains under the purview of the Centre. The practical content is meant to instil the hands-on experiences in the students. The course is now taught to all 300 level undergraduates irrespective of the discipline during the second semester of each academic session. A lot of students have benefitted from this general course on entrepreneurship introduced in Nigerian Universities by the Federal Ministry of Education through the National Universities Commission (NUC).

PROFESSIONAL/PROFICIENCY CERTIFICATE COURSE

The Centre runs short term certificate courses on entrepreneurship for adults and youths to develop the entrepreneurial culture among our people. The certificate courses which are for short term and long

Chike Okoli Centre For Entrepreneurial Studies -COCES

term aim at imparting skills and proficiency in the recipients. The certificate course is open to both students and workers who want to develop proficiency in particular skills. To this end, the COCES has expanded the scope of skills offered to include Fashion Designing, Knitting, Bag and Show making, Millinery, woodwork, Auto mechanics, Fish/Aquaculture management, Paint-making & Cosmetology, Home cleaning agent's production, Bee keeping & honey production, Graphic/Photography, Textile/ Monogramming, Electronics/Computer, Electrical Work, Computer Hardware Appreciation, Computer Programming Languages, Engineering Software, household chemical production, Event Planning & Management, Hair Dressing & Nail Technology, Makeover and Gele Artistry, Bead Making, Braiding and Wig Making, etc. The Centre is collaborating with relevant departments and units in the University to see that the objectives of meeting these skill courses are achieved.

DEGREE PROGRAMME ON ENTREPRENEURSHIP,

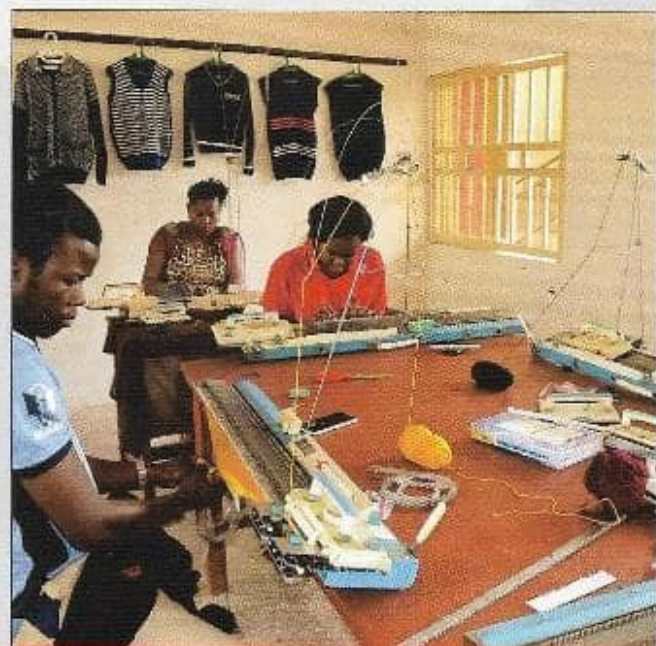

The University has started its B.Sc Degree Programme in Entrepreneurship since 2013/2014 academic year as approved by National Universities Commission (NUC). The degree programme is the brainchild of Chike Okoli Centre for Entrepreneurial Studies as the curriculum for the programme was drawn up at Chike Okoli Centre for Entrepreneurial Studies. The University Curriculum Committee and Senate approved it and thereafter the National Universities Commission (NUC) after the resource assessment visit to the University in March 2012. The Centre is presently collaborating with the Department of Entrepreneurship Studies to equip students with entrepreneurship education and practical skills available at the Centre. COCES is working in synergy with Department of Entrepreneurship Studies for entrepreneurship development and education within the University community and beyond.
